FOR OFFICIAL USE ONLY (FOUO)

OPLAN/OPORD 3-2019

2. Mission. Task Force: COMMANDERS' CALL 2019 shall serve as Command & Control to conduct a Commanders' Call involving all Commands/BCT Commanders and Principal Staff, their families and invited guests at the Clarion Hotel by the Airport, Orlando, FL, August 24, 2019 to conduct the business of the United States Volunteers – Joint Services Command. A banquet dinner shall follow the Saturday meeting.

3. Execution.

a. (U) Commander's Intent. That Task Force: COMMANDERS' CALL 2019 alert all Commanders that their BCT Commanders to participate in a Commanders' Call; that mandatory attendance of all Commanders is expected, that a meeting session to cover the business of the USV-JSC will be conducted, that a formal Dining Out Dinner/Banquet will be conducted; Success is attained when each Commander participates in the meeting.

b. (U) Concept of Operations.

(1) Location and dates for the Commanders' Call 2019 were agreed by the Commanding General, USV-JSC and the Senior Commanders during the Commanders' Conference 2018 at some time in August 2019.

(2) Task Force: COMMANDERS' CALL 2019 is organized and US Volunteers assigned specific positions and duties by the Commanding General, USV-JSC. [See Assumptions 1(h) (3) thru (13) above.]

(3) The Board of Directors, US Volunteers-Joint Services Command voted to provide up to \$2000 from the Corporate funds to cover specific costs for the Commanders' Call 2019 with a capital expenditure of \$2000 as the base for contracting space, rooms, etc. That lodging, meals, transportation and personal needs are the responsibility of the individual US Volunteer. That room rates and Banquet costs shall be contracted for by the Comptroller and made known to all Commanders. That a block of 12 rooms be contracted and that all Commanders advise those attending must use the contracted rooms.

(4) That the Corporate Comptroller, CAPT Frank X. Contreras III, shall verify that the Clarion Hotel, keeping in mind the Hotel and its surroundings, are suitable and appropriate for public expectations of uniformed US Volunteers, their families and guests; a Hotel with a reputation commensurate with the planned events; and a Hotel that can accommodate about 50 US Volunteers their families and guests including training rooms/spaces, dining facilities for breakfast, lunch, dinner internal to the Hotel and a Banquet Hall with raised dais, sufficient electrical outlets, internet connections, projection screen, and separate private rooms for the US Volunteers, their families and guests.

(5) That the Commander, Task Force: COMMANDERS' CALL 2019 conducts monthly, minimally, a Task Force Commander and Staff Meeting (all gathered in one place or by electronic means) and shall conduct a formal Staff Briefing to the Commanding General at the monthly Commanders' & Staff Meeting, Pantages Convention Center, Long Beach VA Medical Center, Long Beach, CA, providing detailed information including, but not limited to, 'PAO' accomplishments, status of contract(s), numbers attending by Command and expenditure of funds to date, seating arrangement, name tags, equipment, marquee hotel arrangements, tables, chairs, extension cords, outlets available, use of Ceremonial rifles for Color Guard to post the Colors. US Flag, USV-JSC Colors, bugler for TAPS, next Recon to the Hotel, assigned 'Supply Room,' and receive the Commanding General's guidance. The Staff Briefing is to be informal and a 'war gaming' action to insure 'backward planning' activities and actions are tracking with established time lines and planning events

(6) That CAPT Contreras shall handle all contact with the Clarion Hotel, Orlando, FL verifying specific requests and requirements are being met by the Hotel Management to avoid last minute disruption/confusion before the Main Body arrives on August 24, 2019.

(7) That DoD Standards of Protocol be followed in Head Table seating; that a Schedule of Events for the Banquet be approved by the National Commander. [The Task Force Chief of Staff must carefully select each US Volunteer insuring the US Volunteer is qualified, reliable and has the necessary 'tools' to accomplish the assigned task(s). The music can be choreographed on a PC and verified and identified when to play it. Care must be taken that a specific US Volunteer is in charge and gives the 'signal' to the appropriate US Volunteer for the specific task and not rely on the 'collective' group to carry out the mission.

(8) The Task Force Chief of Staff must select an assistant(s) to maintain her/his 'freedom of action' to render direction(s)/orders as 'hiccup' situations arise, i.e., put out 'fires' quickly because the Chief of Staff knows the entire 'wire diagram' of events and can spot glitches before they become failures. The Chief of Staff cannot be 'tied down' but must be able to maneuver at will and must roam about the 'battlefield' observing then moving on, observing then moving on, etc.

(Day 1 Meeting Events]

(9)

DAY ONE – 0800 hours:

- (a) National Commander & Senior Commanders 'By Invitation Only'. I.e., BCT, Regional and National Commanders only. The tables & chairs must be in a 'horseshoe' arrangement with the open part of the horseshoe set up with a podium, a screen for projecting either overhead or PC power point slides. The room lighting must accommodate the attendees being able to actually see the slides. (Experience has been the screen is NOT visible and the Viewers lose interest and conduct distracting personal conversations losing the intent.) (The screen must be larger than the usual 'classroom' size screen.) Single table be set up for Accoutrement display and order forms.
- (b) Training Program
 - (1) Opening Remarks/Customs and Courtesies – LTG Baumann (15 min)
 - (2) Proper Wear of the Uniform- (1 hr total, by selected instructors)
